1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.

- 3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
- 4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.

5) All teeth over one complete set will be charge to the contractor.

The base cost of fuel shall be established on the bid date of the contract by reference to the Weekly Retail On-Highway Diesel Prices for California, as published by the U.S. Department of Energy on its web site at www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp.

- 10) This proposal to be attached and made part of any and all resulting contracts.

11) The above price does not include permits, fees, bonding, state or local taxes.

- 12) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
- 13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
